

Earlier, in the online vendor registration portal, at one go, a vendor could apply for item(s) against a particular Advertisement only. Now, Facility have been created with which vendor will be able to select multiple item(s) for multiple Advertisements published by a particular Factory, and apply **at one go**. Methodology of the same is as follows:

- After opening the link "Item Open for Registration", by selecting a particular Factory, vendor will get the list of all the items published through various advertisement by a particular Factory.
- Vendor will get option to select multiple item(s) by clicking the check box against the items. However, the total No. of item(s) that can be selected at one go is restricted to 20 Nos.
- After selecting items, vendor has click on "**Proceed**" button to fill up VRRF as done.
- After filled up the VRRF click on "Submit all Process" button and click on "Submit" Button for final, submission of the Application Form.

**NOTE: With the above, the earlier link of Addendum Application in no more available. Registered vendor who wants to apply for Additional item(s), shall apply as per the methodology mentioned above.**

The stepwise demonstration of the above is provided in the following pages:
